There are legal, ethical and health and safety reasons why we can't sell:

**Anything that
needs fuel**

**Items with
broken/old plugs**

Weapons

**Microwaves
or ovens**

**Dishwashers or
washing machines**

**Gym
equipment**

**Anything broken or
incomplete**

**Real fur or items
made from
endangered species**

**Furniture that
is missing a
fire label**

**Safety
equipment**

Items that we cannot sell cost us money to dispose of - money that we would rather spend on supporting our patients ❤️
